Looking Forward Information; TASE Filings

Information in this website regarding Insuline's business which is not historical facts is "forward-looking information" within its meaning in the Securities Law, 5728-1968, s, that involve risks and uncertainties. Forward-looking information can be identified by, among other things, the use of forward-looking language, such as "anticipate", "believe", "could", "estimate", "expect", "future", "intend", "plan", "potential", and may describe opinions about future events. This forward-looking information is based on the current expectations of the management of Insuline only, and is subject to a number of factors and uncertainties that could cause actual results to differ materially from those described in the forward-looking information. The following factors, among others, could cause actual results to differ materially from those described in the forward-looking information: changes in technology and market requirements; we may encounter delays or obstacles in launching our clinical trials; our technology may not be validated as we progress further and our methods may not be accepted by the scientific community; we may be unable to retain or attract key employees whose knowledge is essential to the development of our products; unforeseen scientific difficulties may develop with our process; our products may wind up being more expensive than we anticipate; results in the laboratory may not translate to equally good results in real surgical settings; our patents may not be sufficient; our products may harm recipients; changes in legislation; inability to timely develop and introduce new technologies, products and applications; loss of market share and pressure on pricing resulting from competition, which could cause the actual results or performance of Insuline to differ materially from those contemplated in such forward-looking information. For a more detailed description of the risks and uncertainties affecting Insuline, reference is made to Insuline's reports filed from time to time with the Tel Aviv Stock Exchange ("TASE"). Insuline disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise.

No information or statement in this website is intended to solicit in any manner whatsoever any person to purchase or deal in any securities of Insuline.

Insuline may provide links to its filings with the TASE for informational purposes only, and not for trading or investment purposes. Insuline does not guarantee the sequence, accuracy or completeness of any information or data displayed through these links. Insuline does not assume any duty of disclosure and expressly disclaim any duty to update information set forth in its filings with the TASE.
